PROJECTS

Fund House   (February, 17 – April, 17)

Guide: Soham Bansak   Team Size - 1

Fund house is India's premier peer-to-peer e-lending platform. We are creating a conducive environment for borrowers and investors. Unlike banks and financial institutions Fund house cuts down the interest rates for borrowers and increases investor's yields by eliminating mediators like commercial banks, depository institutions etc. Fund house aims to revolutionize the personal loans market in India by creating a one-stop shop for all borrowers with varied profiles and needs who can have access to both retail and institutional investors with varying risk appetites.

Technology: Spring MVC ,Hibernate,Ajex,Tomcat8,JQuery, Amazon AWS
